

EQ-i 2.0
assess. predict. perform.

On-Demand Certification

Don't put your training and personal development on hold.

Get certified now using our on-Demand feature. 1 on 1 or small group (5 max).

- Offered online over two days using the Zoom format. Facilitated by a leading expert and Master Trainer on emotional intelligence.
- Same information as in the traditional classroom.
- You will have all you need to know to successfully administer, interpret and provide feedback to clients.
- You will be certified to use the first and most widely used, scientifically validated assessment on emotional intelligence in the marketplace.
